PROFILE

Eugene K.M. Darteh is a Professor of Social Determinants of Sexual and Reproductive Health at the Department of Population and Health, University of Cape Coast, Cape Coast. He had his Bachelor's degree in Population and Family Life Education and Master of Philosophy Degree in Population Geography in 1999 and 2004 respectively from the University of Cape Coast.

He completed his PhD in Population and Health at the University of Cape Coast in 2014. He specialised in the Sexual and reproductive health of adolescents in urban poor settings.

He has been a faculty at the University of Cape Coast since March 2007. Before joining the University of Cape Coast, he was a research traineeship fellow at the African Population and Health Research Centre in Nairobi, Kenya

Prof. Darteh's research focuses on Social determinants of Sexual and Reproductive Health; Social and Behaviourial Change Communication; Population and Development and emerging population issues such as gender-based violence, urban slum, HIV/AIDS, adolescents and transitions.

RESEARCH

Interests	Social dimensions of Sexual and Reproductive Health · IPV · SGBV · Population and Health · Adolescents · sexual behavior · reproductive health
Areas	General Health Professions · Pediatrics, Perinatology and Child Health · Health · Public Health, Environmental and Occupational Health · Economics and Econometrics · Gender Studies

RESEARCH SUMMARY

91	1,906	26	52	2.74	37%
Publications	Citations	h-index	i10-index	Field-weighted impact	World top 10%

Counted from the 91 publications listed below, 2008–2026. Field-weighted impact is the mean over the 79 works scored for it; 1.00 is the world average for works of the same field, type and year. 29 of the 79 papers scored for it are among the world's most cited tenth for their field, type and year.

POSITIONS

Professor 2021–present
Population and Health, University of Cape Coast, Cape Coast, Ghana

EDUCATION AND QUALIFICATIONS

Ph.D. 2014
Population and Health, University of Cape Coast, Cape Coast, Ghana
