RESEARCH

Interests	Demography · Sexual and Reproductive Health · Gender Based Violence · Technical Demography · Social Demography
Areas	Pediatrics, Perinatology and Child Health · General Health Professions · Health · Public Health, Environmental and Occupational Health · Epidemiology · Nutrition and Dietetics

RESEARCH SUMMARY

100	2,213	28	51	4.07	51%
Publications	Citations	h-index	i10-index	Field-weighted impact	World top 10%

Counted from the 100 publications listed below, 2016–2026. Field-weighted impact is the mean over the 96 works scored for it; 1.00 is the world average for works of the same field, type and year. 49 of the 96 papers scored for it are among the world's most cited tenth for their field, type and year.
